- Dr Staffan Canbäck (supervised by Prof Phillip Samouel and Dr David Price) won first prize with his Henley DBA thesis: 'Bureaucratic Limits of Firm Size: Empirical Analysis Using Transaction Cost Economics'.
- Dr David Ewers (supervised by Prof Roger Mills and Prof John Affleck-Graves) placed fifth.
- Dr Ole Iversen (supervised by Prof Pat Joynt and Prof Petter Gottschalk) placed tenth overall.

Abstracts of all three theses are on the Henley website.
